

Quarterly E-News Letter

April 2017 - June 2017

SBPS, Ranchi strives not only to educate a pupil but to make him/her a skillful person. No magic is needed to change the society, we carry all the power within ourselves. Children have to be prepared to face life in all its various facets and this grooming starts at the school level. Children come to school as unpolished gems and as educationists we polish them to prepare the citizens of the world.

It's really an honor to be a part of such a family. I thank all who worked hand in hand for the progress and welfare of each child. We are there for each and every child who is an asset to our society and to our nation. Hence through our combined effort we are making our nation a great one to live in.

Sri B. K. Dalan
Secretary

"Knowledge will forever govern ignorance: and people who mean to be their own Governor, must arm themselves with the power which knowledge gives."

- Jame Madison

As the years pass by, it's clear to see the progress being made by SBPS. The school has really taken shape and picked up pace over the past years and appeared as a firm and prime educational institution, which provides a wonderful learning environment. It gives a complete learning platform with smart classrooms, library, auditorium, well equipped labs, co-curricular zones along with workshops, Inter and Intra school competitions, sports academics and experiential trips. Continuous attempt to reach the goal, SBPS has always shown a confidence in making the students successful in every field. Supported by dedicated, qualified and experienced teachers, SBPS focuses on the grooming of the students with value education.

Sri Pradip Varma
Head. P & Adm.

"The woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep".

- Robert Frost

SBPS, Ranchi team is committed towards excellence and striving to fulfil the mission of their mentors. The School, in its short span, has already made a mark in the society for its commitment to provide quality education and to nurture children ready to face all future challenges with panache.

Learners today are undergoing a huge metamorphosis as they have to keep pace with the fast changing, IT savvy world. There was a time when the students were kept in Gurukuls to keep them focused and oriented. But today they are a part of wide ranging milieu and that makes the task even more challenging. There has been a remarkable shift in the paradigm of learning. Hence the Schools need to provide an innovative environment to harness the energy of the educands and have to stay abreast with the latest trends in the field of technology.

The School Curriculum provides the students with unprecedented opportunities to prove their mettle in whatever field they can, while the teachers chariot them through the various trials and tribulations of academics like a true mentor.

Fostering character building and nurturing the inquisitive spirit of students, encouraging scientific temperament and strengthening social and cultural bonds are the prime motives of SBPS, Ranchi and the bedrock on which rests the edifice of such education is the teachers' work ethic, dynamism and conscientiousness.

Principal

Well Begun is Half Done

The new session began on 3rd of April this year with a special assembly. The assembly began with the invocation to **Lord Ganesha** followed by the announcement of the names of the achievers of the session 2016-17.

Release of Academic Planner

"The pathway to educational excellence lies within each school"

As the new academic session commences, so does the school plan for it. The hope each year is to start with a bang and outdo all performances in the past. The 'Planner' was released containing a list of activities (both outdoor and indoor), important events, examination, holidays etc. The Planner would help and guide the students and parents to prepare for various activities and programmes. The Planner has portraits of eminent personalities made by the students.

Orientation Programme

SBPS welcomed the grade XI students by holding an 'Orientation Programme' for parents with the prominent objective to make the parents and students aware of the academic aspects, rules and regulations of the school.

Exemplary Performance of Students

With salubrious patience, earnestness and vigorous effort, SBPS students proved their mettle in AISSE 2017, where 20 students got 10 CGPA and 23 got 9 CGPA and above.

It was because of the students' endeavours along with the right guidance and hard work of the teachers and their parents.

Piece De Resistance

Ralph Marston said "Excellence is not a skill, it's an attitude". Students of SBPS showed prestantious performance in AISSCE 2017 in which **Anusha Ghosh** and **Tarush Choudhary** topped the school with 91%. More than 42% students scored more than 90% in different subjects.

Anusha Ghosh (91%)
